

Script 7: The 3-second hook formula

Daily #4

0:30

FORMAT	Screen recording of a viral clip, freeze-frame analysis
HOOK STYLE	Tactical lesson, save-bait
WHY SAVE-WORTHY	It's a checklist. People screenshot these.

[COLD OPEN — 0:00-0:04] *Show a viral clip. Freeze first 3 seconds. No audio yet.* Watch this hook.

[1 — 0:04-0:10] *Highlight/zoom the surprise element.* Surprise. Something you didn't expect.

[2 — 0:10-0:18] *Highlight the number/name/place.* Specificity. A number, a name, a place.

[3 — 0:18-0:24] *Highlight the stakes phrase.* Stakes. What's at risk if they don't watch.

[PAYOFF — 0:24-0:28] *Resume clip, full play.* Every great clip has all three.

[CTA — 0:28-0:30] *Text overlay: "Save this."* Save this.
