

Script 8: Why your clips get 200 views

Daily #5

0:45

FORMAT	Founder to camera, three fingers, brisk delivery
HOOK STYLE	Diagnostic — speaks directly to the viewer's pain
POSITION IN FUNNEL	Top of funnel — pulls in creators who feel stuck

[HOOK — 0:00-0:05] *To camera, direct.* If your clips get two hundred views, one of these is wrong.

[1 — 0:05-0:13] *Count on fingers.* Wrong moment. You picked the wrong thirty seconds.

[2 — 0:13-0:23] Weak hook. First three seconds don't stop the scroll.

[3 — 0:23-0:33] Bad pacing. The clip feels slow even when it's not.

[PAYOFF — 0:33-0:42] *To camera, confident.* Fix these three. Your numbers double in a week. Guarantee.

[CTA — 0:42-0:45] *Quick smile.* We built a tool for this. Link in bio.
